

International Exhibitors with Product in the U.S., but NOT in Florida

Deadline for receipt of alcohol in wholesaler's warehouse is March 1, 2023

If your product exists in the United States, and has label approval, you may ship your product from your importer or U.S. based warehouse to one of the WSWA Florida Wholesalers listed in the WSWA Alcohol Beverage Product Handling Guidelines who have agreed to clear product for Access LIVE.

If you are not currently working with an importer or have label approval, you must contact Southern Glazer's Wine & Spirits and their customs broker to appropriately ship your product to Florida for Access LIVE.

Please follow the steps below:

- 1** Read and follow the instructions in the WSWA Alcohol Beverage Product Handling Guidelines.
- 2** International Exhibitors, not distributed in Florida must use Southern Glazer's Wine & Spirits as their wholesaler for procession product for Access LIVE.
- 3** Complete all necessary forms by the deadline.
- 4** Pay all taxes and fees to the selected wholesaler.
- 5** Prepare your shipment using crush resistant packaging. WSWA, wholesalers and Shepard are not responsible for breakage.
- 6** Affix the appropriate destination labels on the SIDE of each case before shipping. Destination labels can be found in the Important Links section in this document.
- 7** Ship your products to Southern Glazer's. SGWS will arrange delivery to the hotel and to Shepard.
- 8** Complete the Alcohol Beverage Product List. This list will be used to inventory and sort your shipment once it arrives in Orlando. Send completed list to Hanna Empen, Hanna@wswa.org.
