**HOW TO USE THIS LABEL:**

- **Affix this destination label to the SIDE of the case** (this is an identifying label to ensure your shipment is delivered at the correct location at Access LIVE) **AND**
- **Affix your shipping label addressed to your wholesaler to the TOP of the case.**  
Reference Product Handling Guidelines at [accesslive.wswa.org](http://accesslive.wswa.org) for WSWA wholesaler's addresses.

**Option 2: Inventory – Product Pull.** If your product is in inventory at your FL wholesaler

- **WSWA Wholesaler (SGWS, RNDC, Breakthru):** You must advise the wholesaler the intended final destination of the alcohol on your Product Pull list so that correct label will be applied to each case. WSWA Wholesalers will have these labels on file to affix on your behalf.
- **Non-WSWA Wholesaler:** You must email this destination label(s) to your non-WSWA FL wholesaler and ask them to affix to the side of each case for you.

**IMPORTANT:** This destination label MUST be used on all cases intended for the Wine & Spirits Tasting Competition. **Samples for the Wine & Spirits Tasting Competitions MUST be packaged separately from alcohol intended for suites or exhibit halls.** WSWA will be pre-sorting and categorizing all wines and spirits entries prior to the Access LIVE start date.
