Alcohol Beverage Product List

All participants who will sample or display alcohol beverage during Access LIVE must complete the Alcohol Beverage Product List and return it no later than March 6, 2023.

Alcohol Beverage Product List

If you have a product that is registered in the state of Florida and a wholesaler who delivers to Orlando, you must use that wholesaler for product delivery to Gaylord Palms Resort. If your wholesaler of record is NOT one of the WSWA wholesalers "listed below" clearing product for the WSWA Access LIVE you will need to:

- Provide your wholesaler with a copy of these guidelines.
- Provide your wholesaler with the correct destination label(s) related to your participation. ie. Main Street Suite, Access HQ Booth (Exhibit Hall), Access HQ Suite, etc.
- Gaylord Palms Resort cannot directly receive alcohol for Access LIVE. Alcohol is received from wholesalers on the Gaylord Palms Resort dock by Shepard Exposition. All alcohol must be delivered by a licensed FLORIDA wholesaler.
- The following wholesalers will have pre-scheduled delivery times arranged with Shepard for alcohol delivery to the Gaylord Palms Resort dock:

- Breakthru Beverage Group
- Republic National Distributing Co. - Tampa
- Southern Glazer's Wine & Spirits

If your wholesaler is different than those listed above you will need to contact Paula Herz with Shepard, pherz@shepardes.com or (571) 438-4065 to provide your wholesaler's information so that a delivery time can be arranged.

Note:

The hotel cannot receive your alcohol samples. Alcohol can only be received on the Gaylord Palms Resort dock by an authorized Shepard representative, delivered by a Florida wholesaler.

International Exhibitors

If your alcohol beverage product is being shipped into the United States and you do not have an existing relationship with a Florida Wholesaler you must select Southern Glazer's Wine & Spirits as the WSWA Wholesaler to receive your product. The following must also be completed:

- A Certificate of Label Approval (COLA) waiver
- Letter of indemnity
- Information sheet for all products

All these forms can be found in the Shepard Exhibitor Service Kit.

International exhibitors must also work with a customs broker to get product properly cleared through U.S. customs. Suppliers who do not have a customs broker to get alcohol and any POS materials properly cleared are welcome to contact Southern Glazer's Wine & Spirits. (see contact information on page 5).

Important Note:

Suppliers CANNOT ship alcohol beverage product manufactured or warehoused outside of the United States directly to any U.S. wholesaler, to Shepard Exposition or to Gaylord Palms Resort.

Once international product has been cleared through customs it will be delivered to your specified wholesaler's warehouse and then to Gaylord Palms Resort. If your company is an International Exhibitor but has an existing relationship with a wholesaler in Florida, you must use that wholesaler for Access LIVE.

If you have any questions regarding the delivery or handling of product coming into the United States, please contact:

Nicole Anderson at Nicole.Anderson@swa.org or

Michael Maloney at Michael.Maloney@swa.org

Labeling of Product Cases

All product cases must have the appropriate destination labels affixed to the side of the cases. These labels are found in the Shepard Exhibitor Service Manual and on the WSWA Access LIVE website (www.accesslive.wswa.org)

The WSWA wholesalers clearing product for Access LIVE will also have copies of these labels. If you are a U.S. based company and need to ship your alcohol beverage product to a WSWA wholesaler, please be certain to affix the appropriate destination label to the side of your case(s) (NOT to the top) PRIOR to shipping. The destination label is a critical tool used to organize your alcohol beverage when it arrives in the wholesaler's warehouse and once again when it is delivered to the hotel.

Reminder

All Alcohol Beverage Product MUST have the appropriate destination label and be accompanied by a Bill of Lading. If you are shipping cases to the wholesaler, be CERTAIN to use crush proof materials and secure your cases. WSWA wholesalers and Shepard are not responsible for product that arrives damaged or is damaged in transit to the hotel.

Wholesaler Product Handling Fees

Each wholesaler will charge product handling fees and will advise you of your tax liability. Taxes and handling fees MUST be paid before the wholesaler will clear the product and deliver it to the hotel. Your selected wholesaler will also require your signature on an indemnification letter, BEFORE they will complete the appropriate documentation for the State of Florida.

Fees to wholesalers must be made by check or money order and must be received before your product can be released.

All forms can be found in the Shepard Exhibitor Service Manual.

Failure to comply with the WSWA product handling guidelines may result in loss, confiscation, or return of product to sender.
