

The background is a dynamic, multi-colored exhibition space. It features a large, central structure with a globe at its core, surrounded by various geometric shapes and beams in shades of red, blue, yellow, and purple. People are seen interacting in the space, and bright spotlights illuminate the scene from above. The overall atmosphere is modern and high-tech.

Ideas driven by inspiration. Passion driven by purpose.

In operation since 1990, Destinations by Design provides high-quality destination management, creative event and design services, and full scope experiential events to the incentive and corporate markets. Our current clients include a large number of Fortune 500 companies, as well as, many of the major hotels and casinos in Las Vegas.

Through creating opportunities for our clients and partners to shine, we design experiential events with the goal of providing cutting edge innovation and a fully immersive experience into your brand or service. We deliver wildly creative solutions to your event needs and consistently strive to exceed client expectations.

WHAT WE DO

DMC

Custom Builds

Rental

Entertainment

Renderings

Floral Designs

Graphics

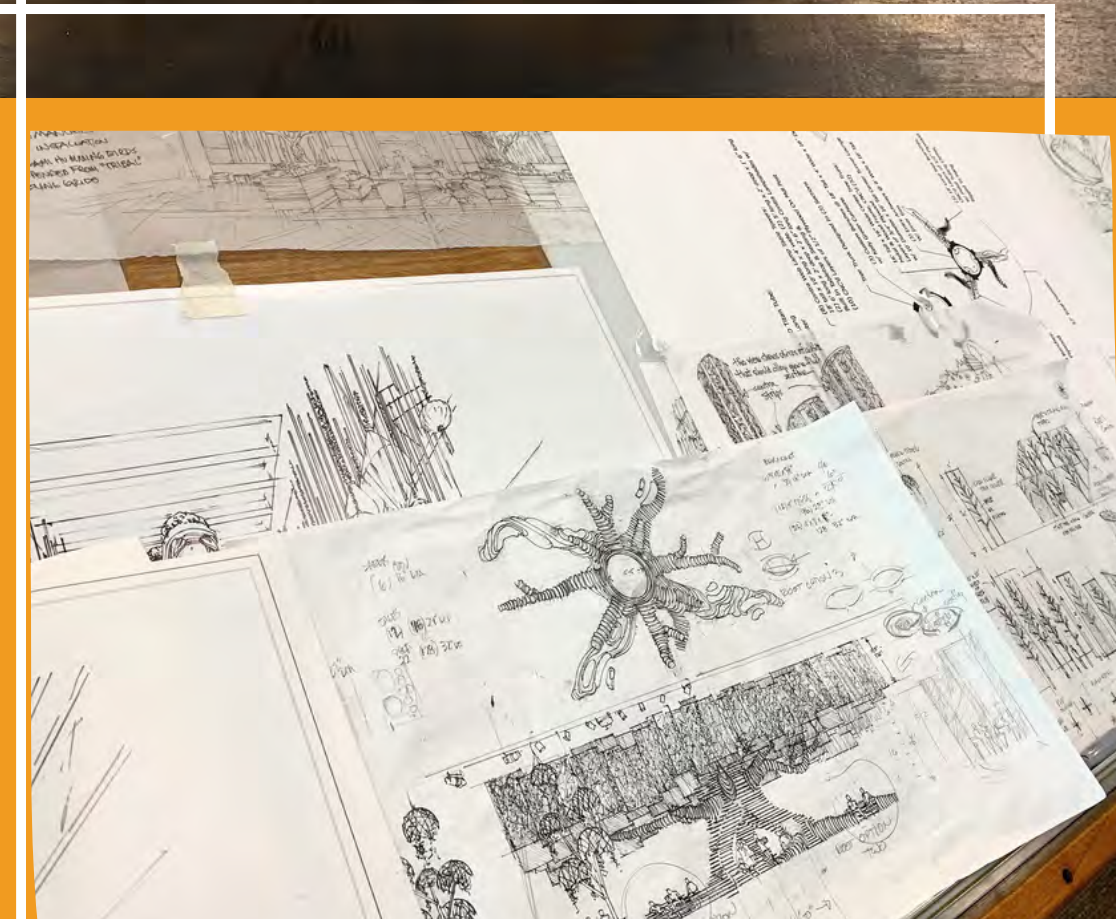

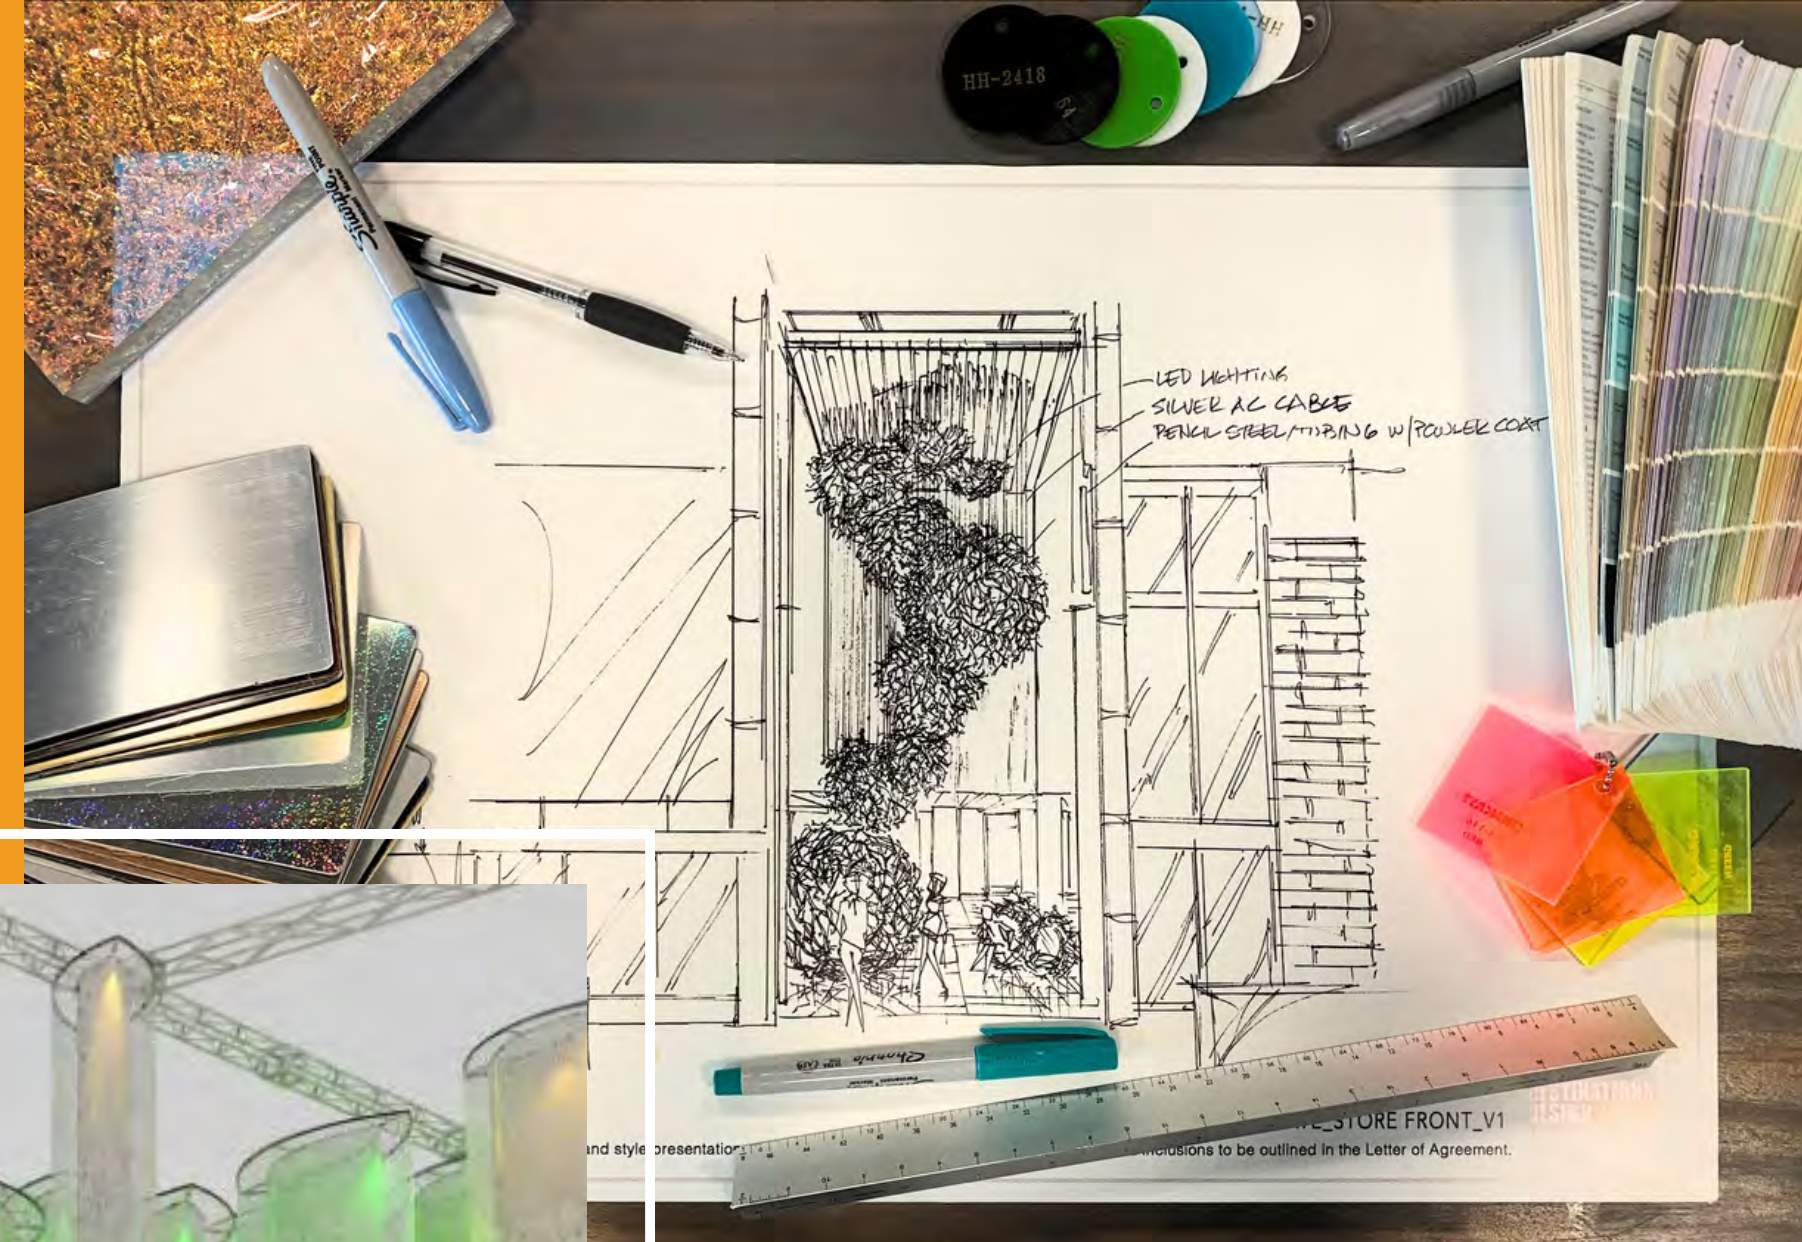

Amidst a range of recreational options, outdoor adventures, shopping and dining opportunities, and a growing arts and entertainment scene, we collaborate closely with our Las Vegas partners to offer our clients unique and exciting experiences.

DMC

CREATIVE

Our creative team is the driving force behind your event, starting from scratch and crafting something truly amazing. Their talents and skills will bring your ideas to life before your very eyes.

FABRICATION

Let our full-service fabrication shop bring your vision to life. Our skilled team, including technical experts, carpenters, welders, painters, foam sculptors, and production artists, creates high-quality custom builds tailored to your needs, whether it's for exhibits, activations, or immersive brand experiences.

METALWORK

Our metalwork is anything but ordinary, constantly innovating to stay ahead of the game. Everything is crafted on our campus, with our skilled welders dedicated to shaping and bringing to life unique creations that align with your vision.

WOODWORK

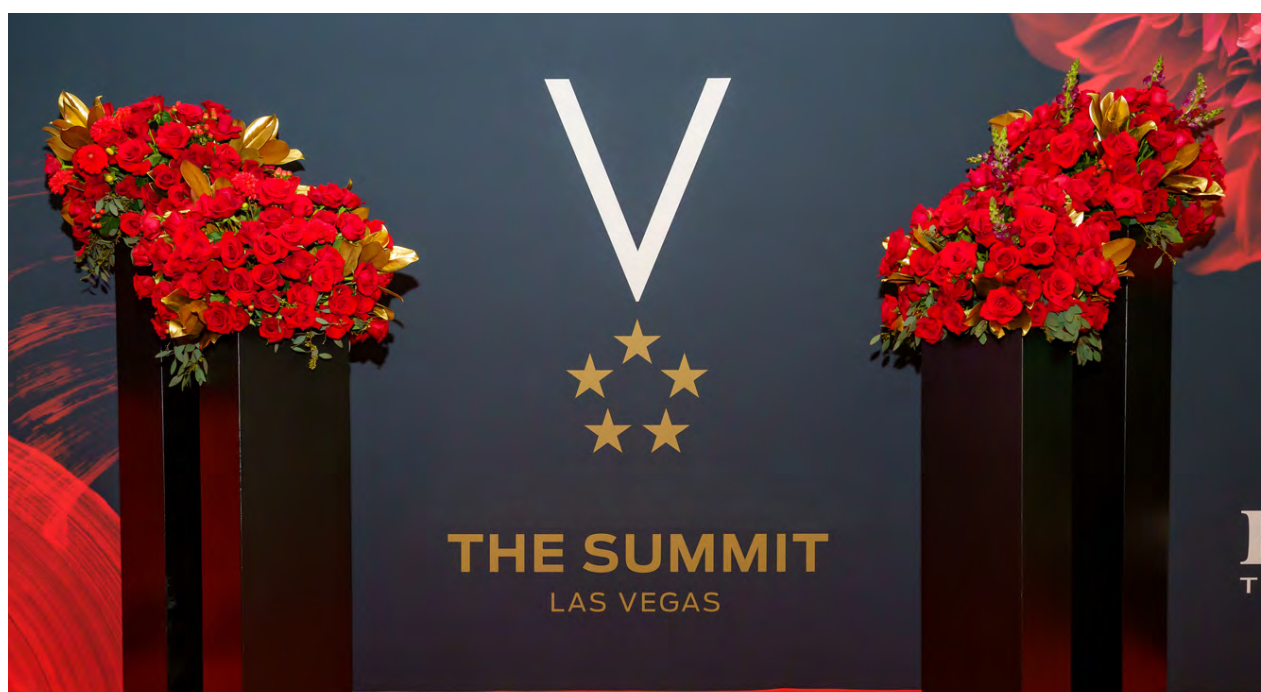

At our DBD campus, we have a dedicated woodshop that empowers our on-site production team to bring your creative visions to life. Whether it's bending, carving, or painting, our skilled artisans handle it all, even the most complex designs. With their expertise, we make the impossible possible for your latest event.

PRINT SHOP

ABV graphic wraps | interior & exterior venue branding | step & repeats
SEG lightboxes | logo pillows & accessories
meeting & directional signage
exhibit branding | and more

FLORAL

At DBD's floral department, we source the freshest blooms to infuse our creations with nature's beauty. We take the time to understand our clients' intentions, visions, and expectations, translating them into arrangements through color, shape, and composition.

OUR ENTERTAINMENT

Our approach to entertainment is dynamic and detail-oriented. Our dedicated team handles every aspect, from booking top talent through our in-house resources to choreographing performances, ensuring every moment is well-managed.

We pay meticulous attention to detail as our team crafts costumes from the ground up. Each thread, sequin, and hem is carefully considered to ensure a seamless fusion of DBD's essence and your vision.

ACTIVATIONS AND PHOTO OPS

With an extensive inventory of ready-to-use rental activations, captivating photo opportunities, custom fabrication capabilities, and branding solutions, we assist our clients in creating engaging events that foster brand loyalty. This also provides them with the ease of sharing these experiences effortlessly with others.

CHAMELEON CHAIRS

Destinations By Design is proud to be the exclusive vendor of the "Chameleon Chair® Collection" for the greater Las Vegas, Nevada area.

For Las Vegas weddings and receptions needing to be dressed with beautiful and upscale chair solutions that provide thick cushioned comfort in endless options of colors, design, and style – Chameleon Chair is the perfect choice.

Golden, black, silver, and mixed-metal fanfair chairs for an elegant look; or bella braids to add a delicate touch.

X-Back chairs for a sleek style that can go just as well on an elevated barstool seat to match your decor perfectly.

MEET YOUR TEAM

KELLY VALLADON

VICE PRESIDENT OF SALES

Working at DBD since 2006, Kelly is devoted to our core values to show what it takes to work in the event world. She has a severe sweet tooth, enjoying mint patties in particular.

CHRISTOPHER KNIGHT

NATIONAL SALES MANAGER

Christopher is an all-star who's been working the industry for over 12 years now and plans even more at DBD. He also happens to like line-dancing while stunning everyone in his cowboy boots.

CURTIS MEYER

SALES MANAGER

Curtis carries with him 12 years in the event industry, having worked for both the sales and services side of the field. He's one minute older than his twin, and likes to hold it over his brother's head.

NICOLE HOYT

SALES MANAGER

Nicole is nearing her first decade in the event industry and she's still eager for more. She doesn't believe in breakfast foods, always seen sporting a delicious carne-asada quesdilla during morning meetings instead.

SYDNEY ZIMMERMAN

SALES MANAGER

Starting off in 2015, Sydney first worked in the event industry during her college years before moving onto greener pastures. Can you believe one time she danced in front of the queen of Sweden?

ANGELICA CUTRI

SOCIAL SALES MANAGER

Angelica prides herself with her experience in the event industry, reaching nearly 10 years now. Her favorite bodega cat, Lala, lives on the corner of 191st Street and Broadway.

let us **partner** with you for your
special event needs because...
together, we can do it all!
